Alpha House
Personal Inventory Allowances

INVENTORY ALLOWANCES

*We ask that you do not bring personal belongings i.e. clothing, etc. in laundry baskets (mesh laundry bags are okay), or luggage. These items are not allowed in your room, and we don't have space available to store them. You will also not be permitted to keep any large plastic totes or suitcases/luggage carriers you arrive with from other facilities due to storage limitations. You will have up to 7 days to have these items removed from the facility, or they will be donated to a local charity organization. Paper boxes that can be thrown away after they are unpacked are the best way to transport items.

*All items must be in the appropriate category when placed on your inventory. For example, you may not have a 7th pair of pants in the "Books" or "Other" category because you have room there.

*Items with paisley print are not allowed under any circumstances.

*If you have too many of any items for the appropriate category, you will need to store them in the CA area and will have up to 7 days to have them removed from the facility, or they will be donated.

*Alternatives is not responsible for any lost or stolen property. We suggest you do not keep any property of value with you while you are here.

*Inventory allowances are subject to change. In the event of any changes, residents will receive a memo noting the change, and a timeline to have the property removed, as well as if there will be any "grandfathered" in protocols for various items.

*ALL items MUST be on your inventory, or they are subject to removal.

All products must be unscented or state "fragrance free" on them.

*Note: You may not have personal pillows, linens or towels. These will be provided to you by Alpha House.
